

Tool List

CNC Lathes:

- 2 – Haas SL-20 with magazine bar feeders
 - 1 – Haas SL-20
 - 1 – Haas SL-20 auto parts loader
 - 1 – Haas ST-20
 - 1 – Haas SL-30 with bar feeder
 - 1 – Haas SL-30 big bore
 - 1 – Haas SL-30
 - 1 – Haas SL-40 Big bore
- 1- Haas ST-30 BB with magazine bar feeder
- 1- Haas ST-30 with magazine bar feeder

CNC Mills:

- 2 – Haas VF-4 4 axis
- 1 – Haas VF-3 super speed with 4th axis
- 1 – Haas TM-1 with 4th axis
- 1 – Haas TM-2 with 4th axis
- 1 – Haas super mini mill
- 1 – Haas VF-6 with 4th axis
- 1 – Haas EC-300 horizontal machining centre with dual pallet changer
- 1 – Haas ES-5 4T horizontal machining centre

Other Machinery:

- 1-Hydraulic cylinder bench 30 ft capacity, 50,000 ft/lbs torque
- 1 – Ona CNC wire EDM 5 axis 20” between nozzles
- 1-TOS lathe, readouts, swing 33” by 192” between centers two steady rests, 3 and 4 jaw chucks.
- 2-Enterprise lathes 18” swing by 80” between centers
- Automated Hyd-mech and Amada horizontal saws
- Lincoln system 30/ Fanuc 100IB welding robot
- 1-Tool and cutter grinder
- 2-Manual mills
- 3-Drill presses
- 2-Line-boring machines
- 1-bore welding machine
- 1- Heat treating oven
- 3- vertical gear cutting shapers, 1 hob, 1 horizontal shaper
- Brakes and shears
- Precision fabrication department with MIG, TIG and stick welding capabilities.
- 31,000 square feet of shop space at our Whitehorse facility.
